FEBRUARY 2012 NEWSLETTER

ART AND GALETTES

Come and join us on Saturday, February 4 at 7:00 pm, to make and eat (yes...all you can eat) wonderful galettes, the savory buckwheat cousin to crêpes, stuffed with ham, cheese and smoked salmon. Vegetarian option is available. Prices include all the food and drinks.

By now you should have received an invitation with all the details.

At the same time, we will hold an art exhibition by Maryse "MJ" Jupillat. This year the theme is: "Let your imagination escape to faraway places".

Even if you have not pre-registered on or before February 1, please do come and have fun with us: you will just have to pay a small surcharge at the gate. Children of all ages are welcome.

All the details regarding this event (the galettes party and the expo) are also posted on AFGO Web site: www.aforlando.org.

VACATION FOR KIDS IN FRANCE

Now is the time of the year when many parents ask themselves: "What are we going to do with our kids this summer?" VIVRE SANS FRONTIERES (VSF), is a well-known French organization, with 15 years of experience in running immersion camps programs. It is recognized by UNICEF and it is offering summer camps in 22 different regions of France.

As the vast majority of young campers are French, the 3-week holiday is a true linguistic immersion for foreign children. VSF offers a voyage of personal discovery as each kid is given an opportunity to learn about France, its language, its people and its culture and, why not...its cuisine.

For more information, please visit VSF Website at: www.summercampsinfrance.com. You may also call VSF at 302-525-8050 or send them an e-mail at: contact@summercampsinfrance.com.
