

Alliance Française of Greater Orlando

Dear AFGO Students,

We are happy to share with you that AFGO staff and teachers have worked hard in order to ensure the continuity of all our classes starting next Monday March 23rd.

Each teachers will contact you starting tomorrow to explain how we will organize remote learning. Please note that this process is a work in progress. We will adjust and improve over time.

We wish to use the timeslots (day and hour) that students were assigned to in order to get some face to face time online (using a computer, tablet or smartphone). These real time classes, we believe, are important to keep some kind of socialization and to continue to speak and exchange in French during this transition period.

As AFGO will continue its services, all our teachers will contribute to the effort. We thank you for your support and comprehension.

During this time, would you have any question, please contact your teacher for academic-related topics and/or your School Director for any other topic you wish to bring to our attention.

We understand that not all of you will be able to use AFGO remote services in an optimal way. We ask for your understanding and solidarity as we navigate through these challenging times. As a non-profit, we owe to our teachers as much as to you dear students. Continuity of services, beyond the academic benefit for yourself, means also continuity of pay for our teachers.

Thanks very much for your support and patience.

Be safe and take good care of your loved ones,

Muriel Partridge
School Director AFGO

Bernard Loddé
President AFGO
