

Alliance Française of Greater Orlando

Dear Students, Friends, and Parents,

AFGO is aware of the challenges Covid 19 is imposing upon all of us. Your safety is our priority.

For that reason we have decided that our French School will be closed starting today, Monday March the 16th for at least until March the 31st.

We are monitoring the latest information and will keep you updated of any change.

In the mean time we are working on implementing online classes for all of you. It's a big job, but we're working hard and will contact you as soon as we are ready to resume our classes via the internet.

Keep safe, and because there is no risk writing it: "Bisou, Bisou!!!"
