"AU PAIR" PROGRAM

AFGO recently received a mail from an organization located in France, named "Au Pair Butterfly", who has concluded a partnership with several Alliances Françaises throughout the world.

This organization offers an Au Pair program by which young people, aged 18 to 30, are offered the opportunity to be placed in selected French families, in order to:

- Discover French culture
- Practice the French language in daily life
- Participate in the way of life of a French family

The family provides board and lodging to the young man or woman, as well as a small stipend. In return he or she has to take care of the family's children 25 hours per week.
