### PROJECT "S"

In our August newsletter we mentioned that AFGO's Management was working on 3 new projects. One of them is Project S (S like Seniors).

Our School Administrator will deliver a series of one-hour conferences in selected Assisted Living Facilities (ALFs) in Greater Orlando.

These conferences will be culture oriented rather than French language teaching. The name of this program is "Discover France and its Language".

Please find below the title of each of these 6 conferences:

- The untold History of France
- The geography of French cuisine
- Arts in France
- French Language and Literature
- Liberty, Equality, Fraternity: Democracy and the French Republic
- French around the World

An agreement was concluded a few days ago with The Mayflower, a well-known ALF in Winter Park, where the conferences will start in September. Other ALFs will be contacted in the coming weeks.
